MILIEU® Seekers

With *MILIEU*'s Sixth Anniversary issue, we celebrate, we honor, we highlight Seekers—those who have a unique vision, who find inspiration through their travels, who get up and out there into the world. Rather than follow and adopt existing trends, Seekers set a new standard. Seekers inspire because each is an independent thinker and doer. We've chosen our favorite Seekers, all of whom have appeared in our pages. We're always on the lookout for more such creative people and we'll be introducing them to you in future issues.
